Staff and volunteers are what allows members the wide range of activities that can chose to participate in. Name calling, swearing and putdown are not the way we should treat each other.

2. Take Ownership in Your Club!

The Club is here for all members to share. Be conscious of keeping the club clean, treat equipment properly so it can last and be enjoyed by others.

3. Share and Cooperate!

Some equipment is limited, we must share and work together to ensure all members have an opportunity to participate

4. Obey the Directions of Supervisors!

This will ensure a safe and healthy environment for all to enjoy!

5. Aggressive Behaviour WILL NOT be Tolerated!

This includes fighting, racial slurs, threats, intimidation, put-downs and vandalism. We can get a lot more accomplished when we all get along with each other.

6. Use staff to Help You Problem Solve!

If cases arise where you have a concern with a fellow member, do not try to handle it yourself— get a staff member to assist you!

7. The Club Rewards School Attendance!

Members not attending school due to school suspension, medical reasons or skipping school may not visit the Club until reinstatement back into school.
